# 3D Mammography

## Mobile Coach

In 2022, Wilson Health is continuing to work to fulfill our mission to improve the health and wellness of our communities by delivering compassionate, quality care. Locally, in Shelby County, 66.5% of women ages 50-74 reported they had a mammogram in the past two years, compared with 78.2% in Ohio and 78.9% in the United States, according to the Ohio Department of Health Shelby County Cancer Profile of 2021. Breast Cancer is the second leading invasive cancer in Shelby County, and we know that early detection saves lives.

In 2019, the mammogram equipment was upgraded through philanthropic support, but with the onset of COVID-19, screening rates are not where Wilson Health would like to see them. With the use of a Mobile Mammography Coach, Wilson Health will be able to go out into the communities we serve to make it easy and convenient for women to get their annual mammograms.

- 3D mammography improves the detection of invasive breast cancers by up to 65%.
- Since the onset of 3D mammography as our standard of care, we continue to see decreases in immediate call-backs.

### Need to Schedule?

 **CALL:** (937) 498-5533

 **VISIT:** [wilsonhealth.org/mammogram](http://wilsonhealth.org/mammogram)

IRS regulations stipulate that registration fees are not tax deductible if there is the opportunity for you to win a prize that is worth more than the cost of the registration fee. Check with your tax advisor if you have any questions. Make checks payable to Wilson Health Foundation. Mail check to Wilson Health Foundation, c/o Karla Young, 915 West Michigan St., Sidney, OH 45365.

**Thank you for your donation to the Wilson Health 3D Mammography Mobile Coach.**
