Subject: NOTICE: Receiving Dock Area Closure

Starting at 5:00 a.m. on Tuesday, December 19, through 5:00 p.m. on Wednesday, December 20th, the Receiving Dock Area and a portion of the drive, will be closed off and not accessible. See below area outlined in red.

As part of the Chiller Replacement Project underway at Wilson Health, we will be bringing in a crane to remove one of our cooling towers. Door #21, 22, 23, 24 and 25 will not be accessible for entry during this time with the exception of Door #24 & 25 from inside of the hospital to allow access to the dumpsters. For safety purposes, these two doors will be shut down intermittently when the crane is in operation and no one will be allowed on the dock area. Door #23 hallway will also be closed when the crane is in operation.

Medical Buildings A (Urgent Care) & B (physician offices/Sleep Lab) can be accessed via Royan Ave. during this time.

If you have any questions or concerns, please contact Kevin Kazmaier, Director of Plant Operations, at (937) 524-6083 or kkazmaier@wilsonhealth.org.

Thank you for your attention and your patience as we work to improve our facilities.
